

Guest Artist Corner

BDAC's guest artist corner offers any North Dakota artist an opportunity to exhibit their work in the main gallery for the duration of a month. BDAC created this artist corner as a way to further highlight the talent happening in our state.

Details:

- This exhibit opportunity is juried. See application below. BDAC will review applications the first Sunday of each month. Any North Dakota artist (an artist who is currently residing here or has ND roots) of any age level may apply.
- The guest artist corner offers 48 square feet of wall space for two dimensional works. 12 square feet of space is available on pedestals for three dimensional works.
- If accepted all work should come gallery ready: wired and ready to hang, works on paper framed, all work labeled on the back with artist name, title, medium, and price.
- Commission on works sold: BDAC will take the standard 30% commission from Supporting Members exhibiting in the guest artist corner and 40% from non-members. Visit www.bismarckdac.com for membership forms.
